Miss May Young and Miss Katherthe Bill returned to their school work governmental departments for their

able and economical management of affairs.

The agreement entered into in 1995 between the city of Putnam and the New York, New Haven and Hariford railroad relative to the new station, street bridge improvement, and for which the city voted to pay the sum of \$20,000, is settled, both parties having compiled with the terms of the contract

Harmonious Co-operation. To the members of the honorable common council I wish to say that at the beginning of the present year, on accepting office, I made a request that you put aside partisan feeling when considering all matters that might come before you for consideration. I take this occasion to personally and sincerely thank you for the manner in which you have acceded to my request. I also welcome the newly elected members and trust that you will act in the same impartial way as your predecessors. While it is my wish to be as brief as possible, there are certain recommendations that I feel are of such

vital importance that I wish to bring them before you for consideration. Sewage Improvement Needed. First, the installation of an adequate sewerage to carry off the fifth that is now polluting the surface water drain that runs through our city streets. The condition is such that unless something is done speedily for betterment an epidemic is liable to ensue, there being between forty and fifty connections, including toilets, sinks, etc., now emitying into this drain.

Unpaid Taxes Should Be Collected. Second, I recommend that action be taken relative to the collection of unpaid taxes. The committee appointed to look the matter up will submit a report at the next meeting. I trust you will be ready to give this matter grave consideration in order that the books may be cleared up. For some time there has been some very disquieting rumors affoat as to the irregularity of the assessed valuation on our grand the assessed valuation on our grand
